29 Ringwood Drive,

Whitby, ON, L1R 1Y8

CAREER OBJECTIVE

Motivated and detail-oriented recent Computer Programming graduate with a Bachelor's in Sport Media seeking work experience with a company aligning with vision, goals, and values in order to start my career track while continuing to learn and grow as a professional and individual.

SKILLS

- **Web Development:** 5 years of experience with CSS and HTML; 4 years with TypeScript, JavaScript, React, and JSX; 3 years with Golang and Python.
 - **Game Development:** 3 years of experience with Unity, Unreal Engine, and Ren'Py game engines.
 - **Languages:** Proficient in English, German, French, and Spanish.
 - **Graphic Design:** 4 years of experience with Photoshop, Illustrator, After Effects, and P5.js.
-

EXPERIENCE

Specra.AI, Remote

Software Developer (December 2025 - September 2026)

- Architected and expanded core Go backend services for an enterprise AI platform supporting high-stakes government contracting workflows and deliverables
- Led the migration of critical platform tooling from TypeScript to Golang, enhancing execution speed, system scalability, and long-term architectural alignment
- Applied Test-Driven Development (TDD) and A/B testing frameworks to validate feature parity, verify efficiency, and eliminate regressions across new tool deployments
- Integrated robust APIs to expand internal platform capabilities
- Partnered in full-scale platform redesign, refactoring legacy modules, building net-new infrastructure, and resolving critical defects to elevate system stability
- Drove cross-functional coordination within a fast-paced agile startup environment, utilizing asynchronous messaging, backlog ticket management, and sprint ceremonies to prevent scope overlap and accelerate sprint velocity

Overtime Heroics, Toronto, ON

Managing Editor (January 2021 - January 2023)

- Wrote and edited articles covering hockey events.
- Maintained WordPress website; created layouts, graphics, and logos.
- Assisted in recruitment, training, and departmental assignments.

Neutral Zone LLC, Center Rutland, VT

Scouting and Web Development Intern (September 2020 - May 2021)

- Managed database entry of new players and processed articles.
- Wrote occasional articles and learned about the scouting process for hockey players.

EXPERIENCE (CONT.)

Internship Program Lead (May 2021 - June 2024)

- Recruited, interviewed, trained, and supervised interns.
- Published scout reports and occasionally scouted hockey games in the OHL.
- Tracked intern progress and evaluated performance to provide feedback; assigned projects based on the evaluated progress of each individual intern.
- Created Neutral Zone branded content and managed the “Our Scouts” web page.

VOLUNTEER EXPERIENCE

President

Best Buddies TMU (2021-2022)

- Organized events, set up an executive team, and ensured the operation of the Toronto Metropolitan University chapter of Best Buddies Canada.

Quality Assurance Member

Keller Williams Energy Turkey Drive (2017-2022)

- Ensured the quality and quantity of Turkey Dinner packages for the annual Keller Williams Energy Turkey Drive.

EDUCATION

Bachelor of Arts in Sports Media

Toronto Metropolitan University, Toronto (September 2020 - April 2024)

- Focus on graphic design, video game development, web design, and sports coverage.
- Graduated with distinction.
- Created video game “Puck Drop: A Hockey Story” as a culminating practicum project.

Advanced Diploma in Computer Programming

Durham College, Oshawa (September 2024 - April 2026)

AWARDS

- Toronto Metropolitan University FCAD Dean's List (2021-2024)
- Ontario Scholar (Nov 2020)
- SHSM Business High Skills Major (Nov 2020)
- Durham College Highest Ranking Graduate (2026)
